

Our Political Systems, 2006, 272 pages, Adrian Krieg, 0974850276, 9780974850276,  
a2z Publications.com, 2006

The Political System, a book by Cecil Chesterton published in 1911, analyzes one century of politics in Britain. Dr. Adrian Krieg finds that neither arguments nor realities have changed greatly in the hundred years since. Krieg pinpoints amazing similarities between the politics of England as the turn of the century and those of present day England, Canada and America. In Our Political Systems, Dr. Adrian Krieg proves corruption endemic to two party political systems. Krieg's well documented hypothesis: Modern republican governments which ignore the will of the people can be saved only by developing divergent political parties.
